Gospel Summary & Question of the Week
Read Sunday's Gospel, Lk 10:1-12; 17-20

Fifteenth Sunday in Ordinary Time- Cycle C

Gospel Summary:

We can learn a great deal from Mister Rogers. Remember him? He was the gentle soul who found his way into living rooms worldwide starting as far back as 1968. Mister Rogers' Neighborhood was a beloved program that celebrated and exalted people, especially children. He taught us that we are neighbors and that everyone has a place. Everyone matters. He had a vision, born of his relationship with God that highlighted every human life's innocence, beauty, and uniqueness. To that end, he called us to be responsible for each other, saying nothing different than what Jesus said. Viewers quickly learned that life is not just about me.

"We live in a world in which we need to share responsibility. It's easy to say, 'It's not my child, not my community, not my world, not my problem.' Then there are those who see the need and respond. I consider those people my heroes (Fred Rogers)." It is so easy to look the other way. After all, I'm not the one who needs to leave home out of fear and try to find somewhere safe. I am not the one who is hungry and without shelter or food. I am not the one who has a child being bullied or ridiculed because of the way they dress or act. I am not the one being threatened with violence or unable to find meaningful work. The distress and agony of our neighbors are our distress and agony. We cannot walk by it with an attitude of indifference, especially if we call ourselves believers. When we no longer care, we have suffocated our souls. This is a great sin.

God's law "is something very near to you, already in your mouths and in your hearts; you have only to carry it out." We all have a need for love and acceptance. That's why Mister Rogers' television show was so popular. It spoke to something deeper, something sacred about humanity. God didn't give us his law in a book. He wrote it on our hearts. We know what we need to do. It's a matter of choice. Love is sacred. When we love another human being, especially without regard for ourselves, it is a holy moment. These moments are often missed due to our self-serving agendas and rules.

Question of the Week:

In the parable of the good Samaritan, Jesus taught the scribe the importance of showing mercy toward one's neighbor as central to following God's law. How well do you practice the virtue of mercy?

Dear Parishioners

What are you doing for summer reading? Especially spiritual reading? It is my hope as I plan for the upcoming year to feature the teachings of the Church from the Second Vatican Council. We need to know what the Church codified at this turning point in our history. We need to understand why these documents are so important for our own time, now nearly 60 years later. Several of the documents are called "Constitutions." That is, they are definitive declarations about the life of the Church, made in union with the Holy Father and the Bishops of the world. I would suggest one of two documents for your reading. The Constitution on the Church is a wonderful document expressing something of the mystery of our discipleship in Jesus. It is descriptive and inclusive in the way it looks at our call and response. The first document of the Council is the Constitution on the Liturgy. It sets out for us the importance of the Mass and the manner in which it is celebrated. You can find these on line, I'm sure, or through any Catholic book store. I have copies, if you would like to borrow one. If you've never looked at them, or, if it's been a long time, make the time this summer to get acquainted or reacquainted with the basic teachings of the Church. Not knowing what the church teaches is the equivalent of trying to fly a plane without taking lessons or reading the instruction manual. Be the pilot of your own understanding of our faith!

— fr. jeff

KEEP HOLY THE SABBATH

As we enjoy summer, let us also remember the importance of our public worship. It is time to call Catholics to attend Sunday Mass *every Sunday* as we follow God's commandments to worship and to celebrate Eucharist, our most precious gift. The pandemic is largely behind us. Livestreaming Masses, while helpful to many, are not a substitute for Mass. Vacations and travel are no reason to miss, there is Mass somewhere near you wherever you go. Please plan accordingly and encourage your family to do the same. It is time to recover our sense of participation, belonging, public prayer, and the sacramental life of the Church. I like to use the analogy of swimming. Many of us learned to swim a long time ago. If we haven't gone swimming lately, all we have to do is "jump back in the water" and we'll figure it out! In the same way, if it's been a while – jump back in! The Lord never abandons us. Let us give our thanks and praise the best way we have, joining the eternal worship of the sacred liturgy.

ECC SENIOR CLASS GARAGE SALE

This Thursday, July 14, from 3-7 pm, and Friday, July 15, from 8 am – 1 pm, come browsing and shopping at the ECC High School Cafeteria. The Garage Sale will benefit the Class of 2023's Senior Class trip.

THANK YOU TO THE TEAM

As photo sessions for our Parish Pictorial Directory continue, I offer a word of thanks to the many parishioners who have facilitated its process for us. Jessica Weinzerl has led the team and the process from the beginning. Mary Beth Schaut, Kathy Herzing, Cindy Cortinovis and Judy Dubler have served as captains of the various areas getting us ready for the photos. Many additional parishioners man the tables at Church, spent time on the phone contacting parishioners, and are now sitting at tables to organize the photo session registrations and preparations. Yes, even these early portions of the production have required the help of many. To date, we have reached the number of registrations the directory company requires to produce the directory. My goal is a bit more – I'd like to see us have a good representation of our parishioners and families in the yearbook.

Next up will be the phase of putting the book together. We await YOUR photos of parish – type events from the past few years. Do you have pictures in your phone or in hard copy of anniversaries, special birthdays, sacraments, meetings, gatherings, church events, etc.? Please pass them along to us. Mary Ann McCluskey has offered to lead the graphics department, putting together some formal and informal pictures of groups and activities. If you are willing to help, let us know.

When the Pictorial Directory is completed, it will be a great tool in the hands of many parishioners, helping us know, contact, and work with one another as a parish family. This will also be available as an APP on our phones, along with additional information we can pass along quickly. I find this exciting, helping us reach out so readily.

We are well on our way of producing this blessing. It should be available sometime late this year or early next year, depending on our ability to put things together. Thanks to so many parishioners for cooperating, joining the photo sessions, leading and participating in the various groups that are facilitating the directory.

THINGS WE ARE FINDING OUT

As you gather for photos this week, please be patient with the process. There have been changes and even errors in the scheduling process. The photographers have built in time to make sure everyone gets taken care of, but it may take a few extra minutes. They say, please give about an hour for your photo session, but are hopeful that it won't take that long.

We've had some responses to our invitation such as, "*We haven't been coming to Church, so we don't think we should be in the directory.*" I say, ON THE CONTRARY... if you are part of our parish family, you should be in the directory. We all understand how livestream Masses, COVID, and other things have thinned out our weekend church goers. We want you back at Mass as soon as you can and will come! But, you are still part of our parish family. So, please reconsider not only a photo session, but your sense of "belonging" with us!

The phone calling portion of our process has unveiled a lot of issues with our current census information. We found many dead landlines! Please update your census information with us -- those living in the household, active cell phone numbers, and such... so that our census is more accurate. Call us or jot the information down and pass it along in the basket or to the rectory. It's important that our information is accurate!
